

This wine list reflects our passion for wine and desire to explore and promote some of the best and most innovative wine producers from around Spain.

You will find the best of what Spain has to offer, a curated list of some of the most exciting and iconic winemakers, regions and grape varieties produced throughout our country, as well, we are importers of those small producers with no exposure outside the country.

We strongly believe that great wines are the result of good viticultural practices, and thus, we selected producers we know are working hard to craft wines that are an accurate representation of their terroir.

We invite you to follow us and our story as we continue to explore the Spanish world of wine and how it can help transform a dining experience

CORPINNAT

Corpinnat is a collective of wineries established with the aim of distinguishing great sparkling wines from Spain made in the heart of the Penedès from 100% organic grapes harvested by hand and entirely vinified on the premises of the winery. Those wineries represent the best of the sparkling wines in Spain

Traditional Wines from Andalusia

Andalusia region, has a millenary tradition in the cultivation of the vine and in the production of wines of great prestige and fame throughout the history.

The topography, geology and climate of the Andalusian soils are excellent for the cultivation of the vine. The Mediterranean climate and the different microclimates, the mild average temperatures (16°C), the scarcity of frost and hail, the numerous hours of sunshine per year, a strong altitudinal contrast and the aging system, create wines of great quality, at the same time very varied and characteristic

Dry style sherry (Probably the best aperitive wine in the world)

Fino Style

It represents the driest and lightest-bodied category, beautiful complexity, perfect to enjoy with jamon, fried seafood, olives or salty aperitives

Name	Age in Solera	Glass	Bottle
Antique (500ml)	9 years	14	65
La Botella Debajo (500ml)	50 years	13	82

Amontillado

Take on a darker colour and deeper flavour because of oxygen exposure as the flor (yeast) lining breaks up during aging. The most complex in all styles, perfect to enjoy with meat paellas and stews, as well white meats and poultry

Name	Age in Solera	Glass	Bottle
Tradición (750ml)	30 years	17	154

Traditional Wines from Andalusia

Palo Cortado Style

A wine of great complexity, citric notes reminiscent of bitter orange and lactic notes suggestive of fermented butter. It has a deep, rounded, ample palate with smooth, delicate aromatic notes appearing in the aftertaste, leading to delicious lingering finish. Perfect to enjoy on its own or with any red meat or stews

Name	Age in Solera	Glass	Bottle
Antique (500ml)	30 years	20	91

Oloroso

Undergoes an even longer aging process where the wine is purposefully exposed to oxygen. This results in a much louder and supple flavor profile with more residual sugar and a high level of glycerin. Perfect companion for suckling pig, beef rib eye and lamb or just by itself after dinner

Name	Age in Solera	Glass	Bottle
Antique (500ml)	20 years	18	79
Tradicion (750ml)	30 years	24	148
Solera 1905 Very Old Oloroso (750ml)	100 years	122	

Cream Sherry

Cream is a semi sweet wine which is obtained exclusively from oxidative ageing and involves blending the Oloroso, with an amount of Pedro Ximénez, hence it being commonly known as Sweet Oloroso.

Name	Age in Solera	Glass	Bottle
Tradición (750ml)	20 years	22	136
Classic (750ml)	15 years	12	58

Traditional Wines from Andalusia

Natural Sweet & Fortified Wines

Naturally Sweet Wines are those obtained from must produce from over-ripe or sunned grapes, generally of the Pedro Ximénez or Moscatel varieties. This must, rich in sugars because of the sunning process of "pasificación" (which literally converts the grapes into raisins) is only partially fermented, with the aim of conserving most of its original sweetness
